

Top Floor

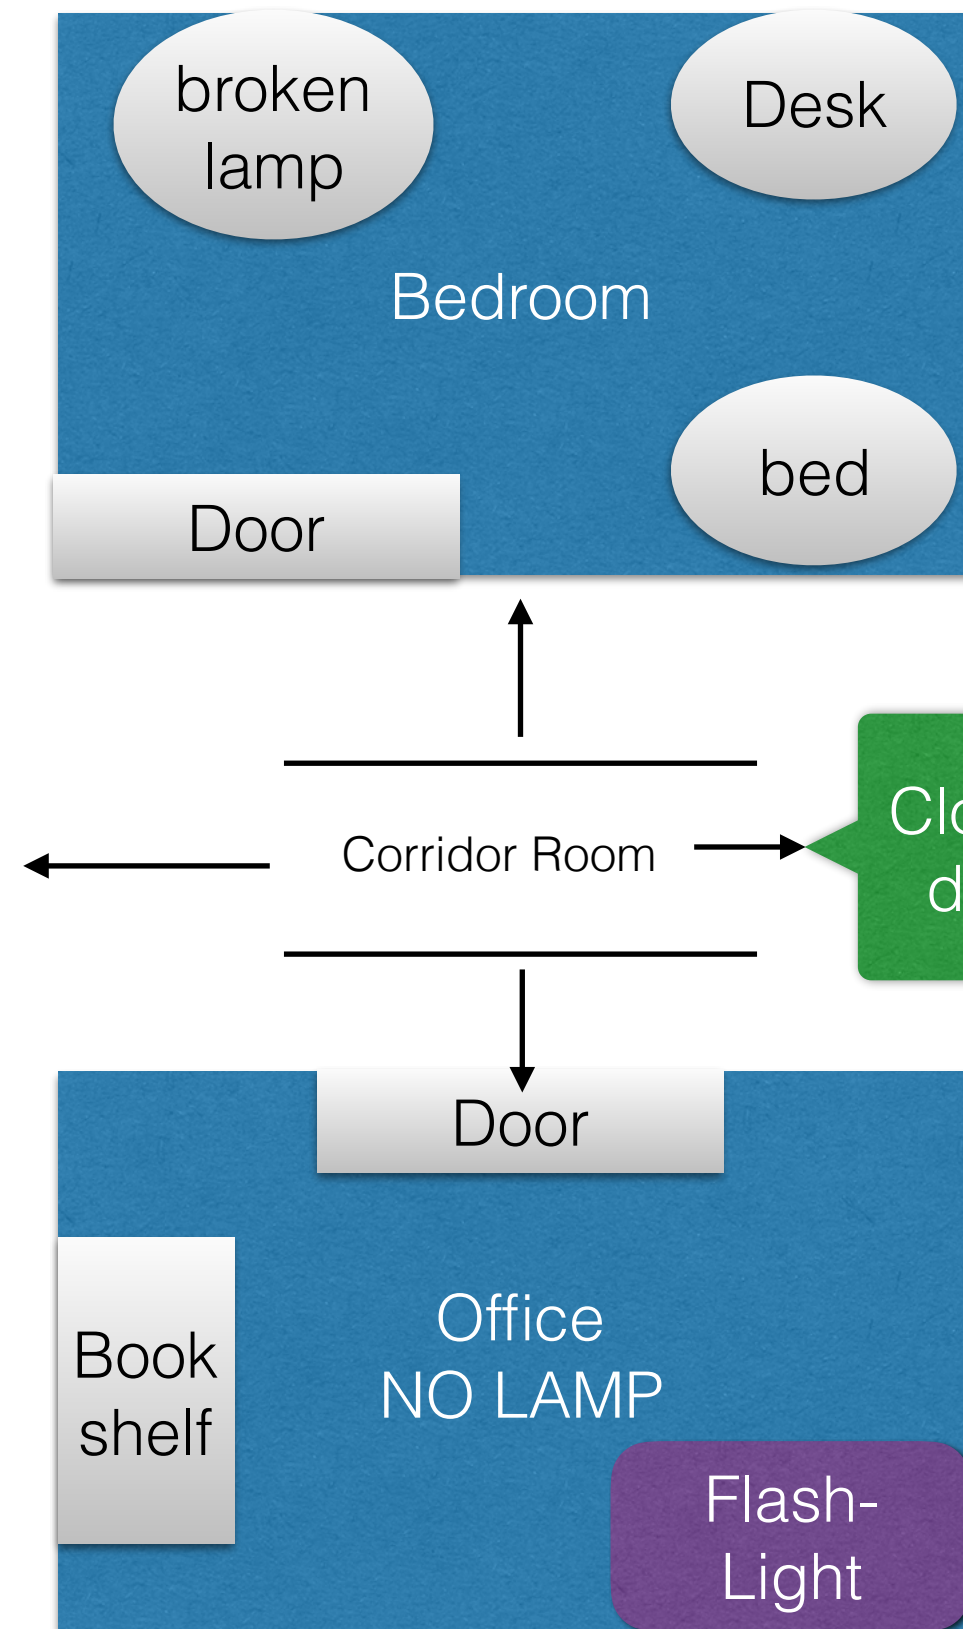

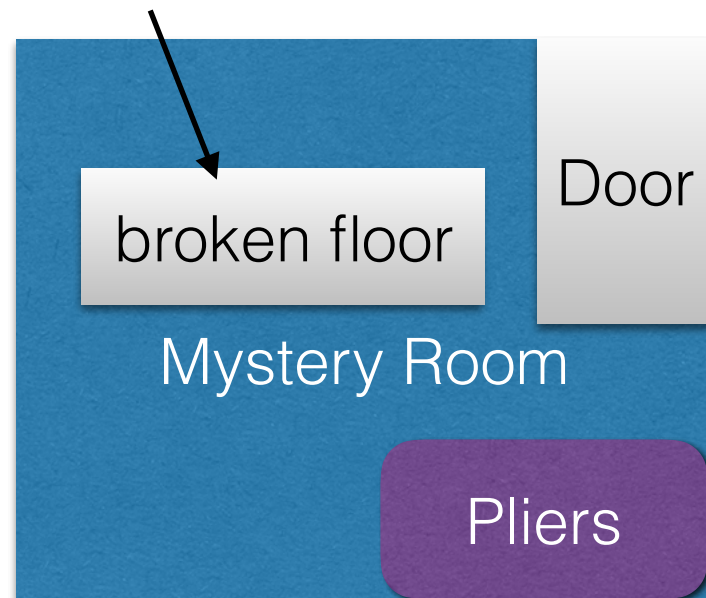

Table has the first key to exit the door

Attic is the starting point

2nd floor

key inside floor

You could choose from any 3 of these rooms to find the key to go down the Stairs

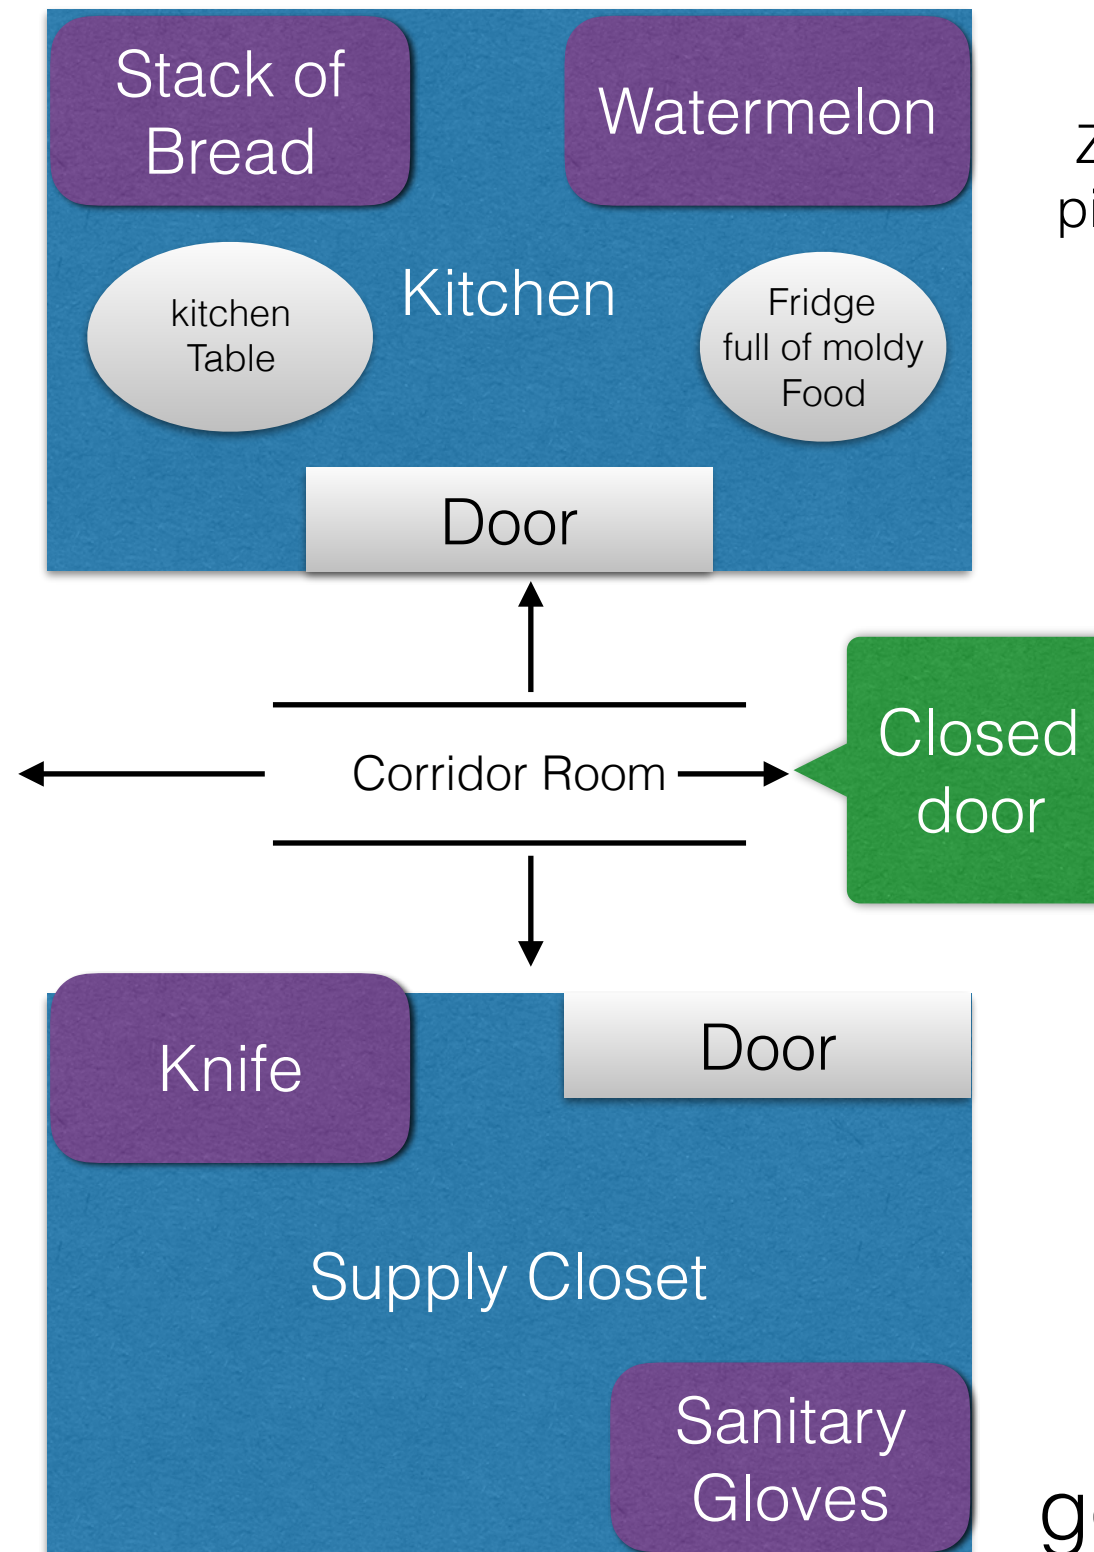

This corridor room is completely dark so you need to find the flashlight first or you will never find the pliers to get the key

Use knife on watermelon to find the key to find the closed door key

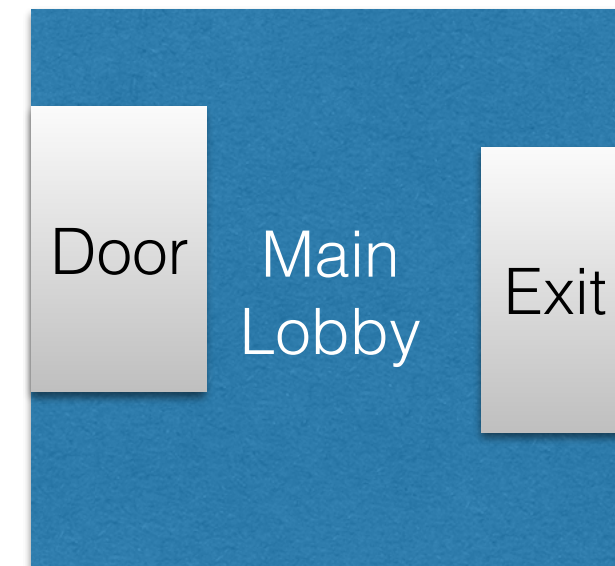

1st floor

Final key in the toilet

This corridor room has a Zombie so you have to quickly pick a room to find the knife and kill the zombie. Then you can safely find the key

You need to open the first door to get in the main lobby to exit
